

LREF Gala – March 25, 2023 – White River Room – 6:00 pm

Thank you for your support of the Logan-Rogersville Educational Foundation. Our mission is to promote educational excellence in the Logan-Rogersville School System and community by generating financial resources from private funds to provide support for our students, faculty and organizations.

Through your contribution you are changing the lives of the students in the Logan-Rogersville School District. Without your support more than \$350,000 in equipment, technology and club programs would not have been possible. We continue to grow our foundation and still need your help.

☐ **Table Sponsorship \$1000 and includes:**

_____ **Company/Individual Name/Address**

- A table for 8 people with premium seating for the event
- Recognition on all promotional material (including the program, posters, etc.)
